Dear Mr Riccardo

Thank you for your reply and additional information.

Unfortunately we are unable to process your renewal application until we receive a current medical summary from your GP which includes your medical history and current medications.

If the documents you are sending are in large amounts, please post them or hand them in to St Marys House. If you prefer to attach your documents to an email please ensure that there are no more than 3 documents and they are easily read with no background interference.

Please respond to this letter within 14 days, otherwise we will assume that you do not wish to proceed and your application will be cancelled. If you are having difficulty with providing additional supporting documentation or need further time, please contact us and let us know.

Thank you.

Yours sincerely,
